and corporate sponsorships from companies such as Union Pacific, FactSet, Merritt, Target, Pella, Enterprise Rent-A-Car, Deloitte, Kraft and Cerner, benefit the University of Iowa Children's Hospital, Ronald McDonald House, Hickory Hills Park, and Iowa City flood relief. DSP is also involved in the annual dance marathon and construction of a "Habitat for Humanity" house. Member recruitment begins at the start of each semester. The program lasts about two weeks and allows interested students to have an in depth look at the Fraternity. To maintain their elite reputation, they require attendance at some of their events so they can best get to know each prospective member. The weeks are intense, but the reward is certainly worth it. In the end, some will be invited to pledge the DSP fraternity. Requirements: include: Business, pre-business, or economics major, 3 semesters remaining as an undergraduate, Minimum GPA of 2.85, both at the University of Iowa, and overall, Passion and dedication to be a part of the best student organization in the college of business!
